GREENSBORO, NC (December 19th, 2019) - [SKA Consulting Engineers](#) recently gathered for their annual company-wide year end event at BoxCar Arcade in downtown Greensboro. SKA leaders handed out Milestone Anniversary certificates (full list of awards below) and announced the retirement of dedicated, long-time employees, Zeb and Teena Wells, which is planned for the end of January, 2020.

"We are extremely grateful to the many contributions that Zeb and Teena have made during their extensive careers with SKA," said Stephen Robinson, PE, President, SKA Consulting Engineers, Inc. "Not only did Zeb contribute over 20,000 hours to engineering projects all through the western region of North Carolina, his leadership as a Vice President of SKA and Asheville Building Solutions Group Manager contributed extensively to SKA's success. Teena served alongside Zeb as Office Administrator and kept the ship sailing straight as well. We wish them well in their future travels."
